13 January 1951

MEMORANDUM

TO : Assistant to the Comptroller

FROM : Acting Chief, Finance Branch

SUBJECT : Circular No. A-38

1. Recently you forwarded to this office, without comment, Transmittal Memorandum Nos. 2 and 3, amending Appendix A of Circular No. A-38, which pertains to the furnishing of information concerning compensation of Federal employees to States and other governmental units taxing compensation for personal services.

2. This office has not been sending compensation information to States and other governmental units. After checking, it was learned that this matter was considered (by appropriate authority) when Circular A-38 was first issued, and that it was decided at that time that this Agency would not comply with Circular A-38 for security reasons. However, this office has been unable to locate any official statement regarding this matter.

3. If the above information is substantially correct and you desire this office to continue the practice of not sending compensation information to States and other governmental units, please indicate your concurrence on this memorandum and return.
